Sir,

I have the honor to state that the present tashik of the Hongal Chattram in the Molkalmuru Taluk is Rs. 28-6-0 distributed as follows:-

13-14-0 Pay of the 7 Servants noted in the margin.*

14-8-0 Paditara

28-6-0

1. Ennadadi - - - 2-6-0
2. Swarnamukhi - - - 3-10-0
3. Pariahenkla - - - 3-10-0
4. Sivabyasamanyana - 1-3-0
5. Gandashasha - - - 1-3-0
6. Galla - - - - 1-3-0
7. Swapar - - - - 1-11-0
13-14-0

2. During my inspection of this Chattram last month, I found most of the servants absent from duty. On enquiry I learnt that all but the Swapar were residing at places several miles distant from Hongal. They used to come & go just as they pleased. Hongal

being between 3 & 4 miles from the Head Quarters of the Taluk, very little supervision was being exercised over the doings of the Servants of the Chattram - Very few people requiring Cooked food, resort to the Chattram which is Chiefly maintained for the benefit of persons applying for raw rations - In anticipation of Sanction, I have revised the Establishment as follows:

4 - " - - Cook & Waterman
1 - 8 - - Sweeper
2 - " - " Dhutsaddi (a man living on the Hot) @
7 - 8 - -

The reduction thus effected, raises the amount available for Paditara to Rs. 20 - 14 - "

3. As a rule no Cooked food will hereafter be given in the Chattram - The Brahmin Servant will bring water to travellers requiring it - He will also Cook

food.

food for aged, or sickly travellers who may stand in need of such help. Such cases will be few & far between.

4. I have asked for the necessary information in order to enable me to decide whether any provision should be made to persons thrown out of employment.

5. In the meantime I beg to solicit sanction to the provision mentioned above.

I have the honor to be,
Sir,
Your most obed. Sert.

Deputy Commissioner.

General No. 682
No. 50

With reference to the Proceedings of Government No. 527-8 dated May 10 93 20th November 1893 re the revision of the Establishment of the Chattram at Hangal of the Molakalmuru Taluk, has the honor to state that the undersigned's proposal to give Rs 4 allowance to the watchman and Cook in addition to pay, having been rejected by Government, it is

found impossible to induce that servant to continue in service on the small cash salary sanctioned for him. In an out of the place like Hangal nothing short of 6 Rs would be a sufficient inducement to the waterman. Beg therefore to recommend that his pay be raised from Rs: 4 to Rs: 6/- with effect from the date of the revision above referred to. A monthly salary of Rs: 2/- was sanctioned to the person appointed to superintend the Chattram and the issue of rations therein. That person has however consented to render gratuitous services in this respect. His name is included in the list herewith submitted. The persons named in the list may be appointed Dharmadarsees for the management of the Chattram. The saving of 2 Rs: thus effected may be added on to the pay fixed for the waterman and cook.
